Memo No: GCWB/22/ 8306

Dated: 05.09.2022

Subject: Regarding transportation for Girls students of GCW Badhra.

On the subject cited above this is to apprise you that lots of students are coming to Govt. College for Women, Badhra from villages on the Badhra-Singhani road via Khorda and they have to reach college at 09:00 am.

As the students of above route have stated that they have to walk 10-12 km per day or have to take lift from unknown bikers/vehicles that is very difficult situation every day being a girl student.

The students of this route (Badhra-Singhani Road Via Khorda) have requested (Students application attached) to provide bus service to reach college at 09:00 am and back at 02:30 pm.

Hence you are requested to provide the roadways bus on above said route.

St. James' Club for M.A. 
 गाँव तक बस उपलब्ध करवाने हेतु प्रार्थना - पत्र 05/07/22

Date:

सेवा में,
 प्रधानाचार्य जी,
 महिला महाविद्यालय (बाढ़डा)
 चरखी दादरी

विषय - गाँव भाण्डवा से खौरडा तक बस उपलब्ध
 करवाने के लिए प्रार्थना - पत्र

महोदय जी,
 सविनय निवेदन यह है कि हम महिला
 महाविद्यालय (बाढ़डा) की छात्राएँ हैं। हमारे गाँव
 की सड़क पक्की है और यह मुख्य मार्ग
 से 12 कि.मी की दूरी पर है। इसलिये
 हम सब छात्राओं को 12 कि.मी की दूरी
 तय करनी पड़ती है, तब कहीं जाकर हमें
 बस मिलती है। गाँव से अनेक सं. यात्री
 सबहं अपने - अपने कार्यालयों की जाते हैं,
 बच्चे स्कूल जाते हैं। विद्यालय भी शहर
 में ही है। प्रतिदिन सुबह शाम इतनी
 दूर पैदल चलना या बाइक के सहारे
 काम चलाना पड़ता है। इससे हम छात्राओं
 को भी अनेक कठिनाइयों का सामना करना
 पड़ता है।

अतः महोदय जी आपसे निवेदन है कि भाण्डवा,
 आर्यनगर, गौविन्दपुर, भाण्डवा आदि गाँव के
 निकट बस चलवाने की कृपा करें। आपकी
 शीघ्र कार्यवाही की अपेक्षा है।
 सधन्यवाद।
 भवदीय

Memo No.: GCWB/24/15041-42

Dated: 25.01.2024

Subject: To rectify the defects in the building of G.C.W. Badhra, Ch. Dadri.

On the subject cited above, it is to apprise you to rectify the following defects in the building of Govt. College for Women, Badhra (Ch. Dadri).

1. Wooden floor's tiles used in multipurpose hall stage, doors and floors are getting damaged by termite.
2. Roof top surface is not in level. Due to this water getting collected on roof top of the college building and some part of roof surface is jerking up and down when moving on it.
3. Blue color designed glass of the size of College building height installed near college main gate has started falling down on ground near main gate of the building.
4. All the five RO System are not working which needs repair / replacement of water filter.
5. Vehicles runs very fast on the road in front of the college building which creating uneasy atmosphere for the girls students while entering/leaving the college daily, so two speed breakers on the road at both sides near the main gate are required.
6. There are plastic water tanks fitted on the roof top of college building, and the float valves of water tanks are damaged/ broken which causes drainage of excess water on the roof top of building which needs repair/replacement the damaged float valve to avoid excess drainage of water.

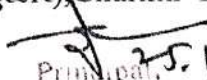

So you are requested to repair above defects for the smooth functioning of the college.

This is submitted for your kind information and further necessary action.

Minutes of Meeting **UGBOS**

Date: 11th July 2020

Venue: Department of History

Ch. Bansi Lal University. **Members of the Board of Studies**

1. Prof. Radhey Shyam, Chairperson, Dean, Faculty of social Science, CBLU
2. Dr. Ravi Prakash, **Member**, Department of History
3. Prof. (Dr.) Prof. Rajiv Ranjan (subject Expert), Deptt. of History, Patliputra University, Patna
4. Dr. Ashwani, Assistant Professor-B L Jindal College, Tosham
5. Mrs Poonam, Assistant Professor-CBLU
6. Dr. Neena kumari, Assistant Professor-CBLU
7. Dr. Surjeet kaur Jolly
8. Dr. Surinder Singh
9. Dr. Surender Dalal
10. Mrs. Sudesh
11. **Smt. Anita**
12. Dr. Mahesh Narain Sharma, Former Director Vrindavan Research Institute

All members were present except Dr. Surjeet Kaur Jolly

The Agenda as decided earlier is given below:

1. Approval of the Syllabus of the **BA (History)** by the new academic session 2020-21.
2. Any other agenda with permission of chair.

At the outset Prof. Radhey Shyam welcomed all the Board members and apprised the board of the motive behind the establishment of, Department of History at Ch. Bansi Lal University. Dr. Ravi Prakash stressed upon the importance of History & Archaeology in this age of scientific rationality. It was argued that rationality is not always synonymous with empirical research; the epistemological argument of the disciplines of humanities and social science is also rationality per se. unfortunately in the contemporary period, modernity is primarily perceived to be technological and scientific advancements, and hence the current society lacks the dialectical modernity. Consequently, there is dominance of regressive forces that tend to cause an

irreparable damage to the moral and social fabric of the society. In view of the above discussion there cannot be a better reason to introduce the Modern syllabus by the next academic session. Moreover, BA degree programmes in social sciences can offer umpteen career opportunities which are lucrative enough. Hence there is a pressing need to attract young and bright minds to the field of History. In view of the above discussion there cannot be a better reason to improve syllabus with multidisciplinary approach.

After detailed discussion on all aspects, BOS approved the proposed Syllabus & evaluation Scheme and UG ordinance for BA (History) and all the points of Agenda. The meeting was conducted online on Google meet.

The following Observations were made by the external expert:

1. Prof. Rajiv Ranjan and Dr. Mahesh Narayan were happy to note that in consonance to their suggestions, courses on Modern India, World history, Ancient history has been inducted in the curriculum.
2. Overall they expressed their satisfaction with the current syllabus though they felt that it would need to change the title of the few courses.
3. It was decided that after consultation with UGBOS members a revised draft should be circulated by Email before calling the UGBOS meeting.
4. They felt that, as compared to many other Universities, the University has moved a step forward in framing the syllabus. Dr. Mahesh Narayan further felt that syllabus of this kind would further enrich BA (History). He has given importance to field visit to museums, Archives and historical places.
5. Dr. Surender Dalal has suggested the introduction of Map in the syllabus, and it was recommended by Mr. Ashwin.
6. Dr. Neena had given her suggestion on the syllabus of the History of Haryana
7. A lot of emphasis was also given to pedagogical methods that were appropriate and need to be adopted.

The experts were of the view that it was important for faculty members to connect to the students and this was possible only when they are actively involved in teaching. While presentations were a good medium, the external members opined that if presentations were very frequently used, the connection with the students is lost. The focus of teaching should be centered on the students and teach what the students will require after they graduate from the

Sub: Response to the UG CBCS syllabus of Chemistry for B.Sc. medical.

Sir, Good efforts for redesigning the syllabi, My Suggestions to it are as follows:

1. It is mentioned that the syllabus for semesters (I-VI) is given but the detailed syllabus is given for B. Sc. I year (semester I & II) only. Though, the examination scheme is given for all the semesters.
2. In the internal evaluation theory, 3 marks are given for attendance and 2 marks for assignments but I feel it should be the other way i. e. 3 marks for assignments and 2 marks for attendance.
3. The options should be given to students in Skill enhancement courses and agricultural Chemistry might be included as one option taking care of area/region specific demand.
4. Spectroscopy (both organic and physical) constitute an important topic in Chemistry and these are included in elective courses. My only concern is if the exclusion of these in elective papers by some students does not make them deficit in knowledge required for M. Sc. entrance and while pursuing the M. Sc. Courses in various universities involving these as compulsory courses in UG syllabus.
5. In semester I, paper 20UCHE101, Unit-III, the carbenes and nitrenes are not included in reactive intermediates and also in aromaticity, the non-benzenoid aromatics and ions need to be included and a small discussion of non-aromatic, anti-aromatic and annulenes to be followed to develop the clear concept of aromaticity in students.
6. In Unit IV of paper 20UCHE101, the introductory details of inversion, retention and racemic mixture may be included after discussing Meso compounds.
7. In paper 20UCHE102, unit III for alkanes, Corey-House reaction should be included after Wurtz reaction. In the same unit, in alkenes, in the preparation part - " Dehydration of alkenes" to be replaced by " Dehydration of alcohols" and Hofmann elimination might be included in the preparations.
8. In Unit IV of paper 20UCHE102, in reaction of alkenes depicting cis addition (alk. KMnO_4) which is mainly done by cold alkaline KMnO_4 , the oxidation with hot KMnO_4 also needs to be included.
9. Conjugated dienes are completely missing but I think, the introduction of just conjugated dienes and then 1,2 and 1,4 addition reactions including the role of temperature in deciding orientation need to be discussed along with inclusion of Diels- Alder reaction.
10. In Unit IV of paper 20UCHE102, for alkynes - the hydroboration- oxidation reaction should be included in its chemical reactions.
11. In practical, since redox titrations are involved in semester I and iodometric titrations in semester II. Then the complexometric titrations might also be included in semester I along with redox titrations.
12. In Unit III of paper 20UCHE202, phenols - Fries and Claisen Rearrangement might be involved and in ethers, acid and base catalyzed ring opening of ethers need to be

highlighted addition of organolithium and Grignard reagents on others might be involved.

13. In unit IV of paper 20UCHE202, Aldehydes and Ketones, the reduction with LiAlH_4 and NaBH_4 must be included while Perkin, Knoevenagel, Mannich condensations and Baeyer-Villiger oxidation might also be considered.

आदरणीय महोदय

विषय :- हमारे क्षेत्र में यातायात की समस्या ।

आपके विभाग ने शहर में अनेक बसों का इंतजाम कर रखा है । लेकिन उनमें से एक बस नारनाल से आने वाली सुबह 7:45 बजे हमारे गाँव (बारडा - सुरेहती) से होकर बाहडा (अरखी दादरी) 8:40 बजे पहुँचती थी । लेकिन बीच में कॉलेजों का अवकाश होने की वजह से उस बस को हटा दिया गया, हालांकि वही बस आती तो है, लेकिन सतनाली से वापिस चली जाती है । जिसके कारण हम कॉलेज जाने वाली छात्राओं को बस सुविधा न मिलने के कारण हमारी पढ़ाई बाधित हो रही है ।

हमारा आपसे निवेदन है कि उस बस को दोबारा से लगाया जाए ताकि हम समय पर कॉलेज जाकर अपनी पढ़ाई जारी रख सकें ।

कृपया हमारी इस असुविधा को दूर करें । इसके लिए हम सब आपके आभारी रहेंगे ।
सधन्यवाद ।
