College Code: 122

The college is still in its early phase as it was established in the year 2014. The college is presently catering to the needs of the students pursuing B.A., B.Sc. and B.Com streams. The college is continuously striving to provide the best possible education to the students along with the curricular activities. The college is dedicated to the cause of female education in consonance with the ideology of the Government of Haryana and Government of India i.e. "BETI BACHAO - BETI PADHAO".
